

GOATS

OUR GOATS:

- Pygmy: Come in many colors. Small domestic breed of goat. Raised mostly as pets, but can be used for milk or meat. Very hardy breed. Originates in West Africa. Rose is our pygmy goat, the small white and black goat.
- Saanen: Dairy goat. Usually all white breed. Friendly. Claude is a pure breed Saanen goat.
- Alpine: Dairy goat. Many different colors. Jill, Astrid, Agnus and Flynn are our Alpine crosses.
- LaMancha: Dairy goat. These are the goats that have “no ears” or very small ears if you look close. Peter, Paul and Mary are our LaMancha crosses.
- Nubian: Dairy Goat. Larger multi colored goats with larger floppy ears. Jack is our pure breed Nubian goat.
- Boar: Meat goat. TJ and Lulu are boar crosses. These are the brown/black goats with the long hair along their spine.
